

nursing: you make the difference.

everyday.

9:50am

Chris Lee breathed life into a newborn.

4:28pm

Tracy Myers explained to the Ramirez family the treatment their mother was receiving.

11:23pm

Sam Oxendine relieved pain in a 78-year old woman allowing her first full night's rest in a week.

1:48am

Jamie Sanchez recognized the early signs of an impending heart attack in a 56-year old man. Thanks to Jamie, he's spending more time with his grandson.

What did you accomplish today? Be the difference. [www.center4nursing.org](http://www.center4nursing.org)
